Small businesses will be given the opportunity to meet with you for 10 minutes, then move on to another table. (I will not be scheduling specific appointments.) Please let me know what types of businesses you are looking for, NAICS, capabilities, etc. and I will compile a listing to hand out to the small businesses so they can plan their marketing accordingly.

If you are staying at the El Dorado, it is connected to the Silver Legacy. From the El Dorado Hotel Registration Desk, a short walk (never leaving the casino) and escalators take you to the Silver Legacy Grand Exposition Hall. Coffee and water will be provided.
